“I was assured that God forgave my sins..”

1.Abu Dawood from Iraq - I am from Mosul and I always had a desire to pray. My wife and I have the Bible in the house, but I did not know where to start. I was living far from God but in me was something longing because I was not satisfied with my life. I began watching ABN TV programs and they were very helpful to me as I was learning from them. Just recently, on May 3rd, I was watching the Praise & Worship live show on Thursday evening. I called the program to find out how to read the Bible and to learn how to pray! Thank God for the brothers in the program who **led me and my wife into prayer** live on air. We listened and repeated the prayer with the speaker and it changed our lives. **This was the happiest day of my life** when I received salvation. I felt joy and peace in my heart and I was assured that God forgave my sins and he accepted me. **I am constantly following the spiritual live shows on ABN** which help me grow and I am reading the word of the Lord!

**“I am feeling peace, rest, and have comfort in my soul and spirit.”**

**2.Ishmael from Syria** - I am a former Muslim who was always in constant fear of the teachings from Islam. I feared death because I have no assurance I would go to heaven or hell and what would happen if I left Islam. Before giving my life to Christ, I had a Christian friend 7 years ago who had given me a Bible. When I began to read it, I started experiencing some peace and joy. The words of Jesus were comforting me to overcome my fear! I was searching for more about Jesus but didn't know how to believe in him. One day, I was watching ABN Live Talk Show “You Ask and the Bible Answers” and they were talking about Jesus who came to save sinners and that He is the Savior. They were also saying Jesus can give eternal life. I called and asked them, “How can I invite Jesus and **what should I do to believe in Him?**” So, they led me in prayer on air and I prayed, “Lord my life belongs to you, I want you to come into my heart. I confess my sins and ask you to forgive all my sins I have committed against you. Help me to know you more and learn more about your love for me.” **I am very grateful that ABN is following up with me** by the discipleship programs. They are helping me in reading the Bible to know Jesus better. I am feeling peace, rest, **and have comfort in my soul and spirit.**

“I decided to read and research for the truth in the Bible.”

3.Saeed Abu Mustafa from Egypt -Saeed called live on ABN and said, “I have a comment for our Muslim brothers who say that the Hadith of Muhammed and Takfiri groups like ISIS do not represent Islam. If these do not represent Islam, then who represents Islam? The Sheikh of Al-Azhar himself could not criticize or say that they are not true Muslims.” **Here I want to witness live on the Aramaic channel** that I was looking for the Truth. I was a Sunni and converted to Shia, and one day, I decided to read and research for the truth in the Bible. **I spent many months and found the truth.** I now believe in the Lord Jesus Christ, he is the Redeemer and the Savior of my life!

**“My son was healed and today I follow my Savior and my Lord Jesus Christ.”**

**4.Dhuha from Iraq** - I currently reside in a European country. **I was a Muslim living under the oppression of Muhammad and Islam.** My husband had accepted the Lord Jesus before me, and he was trying to talk to me about Jesus, but I avoided listening to him because of fear and confusion. Until one day our son got very ill, and my husband said, “Let's pray that the Lord Jesus will heal him.” It took me some time to investigate the truth and I reached halfway in my belief when I said, “God, please show me the truth **to decide whether to stay in Islam or leave it.**” Then Jesus came to me in a dream and said to me, “I will take you out of darkness into light and I will heal your son”. It was an amazing dream which made me joyful and full of peace. My son was healed and today I follow my Savior and my Lord Jesus Christ. I thank God because **He gave me a chance to testify my faith** through ABN to the Arabic world in the Middle East about the love, peace, joy, and truth I found in the Lord Jesus Christ! Now I feel free and strong, **I am not afraid of any threat** because I trust in the Lord Jesus, I rely on him and he is able to protect me.

**“Islamic terrorism is found in the Quran...”**

**5.Muhammed from Syria** – The ABN channel has helped me so greatly, because it illustrates the fact that Islamic terrorism is found in the Quran, all the other Islamic sources, and I witnessed this with my own eyes in my home country. **I started reading the Bible**, because I was searching for peace, comfort, and the true religion.To me, it seemed no matter how much I prayed **the God of Islam was not listening to me**. I had the desire to believe in Jesus but felt that something was holding me back from doing so. One day, I was watching a prayer show in Arabic called “The Way of Holiness” on ABN and the host Fadi was praying and I decided to call the live show and ask him how Christ can enter my life. He replied, “I’ll pray for you but first repeat what I say from the bottom of your heart and **you’ll see the amazing work of God in your life**”. So I prayed with him from my heart and asked the Lord to wash me, forgive my sins, and he set me free from my ruined life. I prayed with Fadi and **I accepted Jesus as Savior** on air to give me eternal life. I thank God for those moments and that show. Now I feel safe and my heart is flooded with the love of Christ. **I praise God for ABN and how they helped me!**

“...Islam respects other religions. I realized that this was all not true.”

6.Nihad from Iraq - I was a Shiite Muslim. I decided to leave Islam because I found out it was based on lies and it forces people to not use their minds. I questioned some Muslims and Imams, but they avoided answering anything. Islam is intolerant of everyone, and I grew up learning in Iraq to hate other religions and societies. However, while I was in school they taught us that Islam respects other religions. I realized that this was all not true. **I began to read the Bible and compare it to the Quran**. I compared the life of Muhammad, who came with the sword, to the life of Christ, who came with love and peace. It was confirmed to me Jesus is the true Savior. I met with Christian brothers who led me to Church, which taught me to grow in wisdom and love others even Muslims. **Now my family and I are all followers of Jesus Christ!** We go to church and witness to Muslims about the love of God and his forgiveness!

**“I kept looking earnestly for a year until I read the Gospel...”**

**7.Ninar from India** - I grew up in a devout Muslim family with a very active religious life to spread the Islamic call in America. When I grew up, I also started to help with my family at the mosque. Residing in America allowed me to have many opportunities to learn about other religions. One day I had an important question: **Why was Christ crucified?** Of course, I did not find an answer to this question in Islam. I kept looking earnestly for a year until I read the Gospel of Matthew. **It was there I met with the Lord Jesus Christ** who completely changed my life. I have a great desire to help my family so that I can save them from the darkness of Islam. **I have been interested in apologetics programs on the ABN channel** like programs such as Jesus or Muhammad, Jihad Watch, and others. Those teachers and preachers helped me a lot in my faith, wisdom and gave me the strength to talk to people of different faiths and show them that Christ is the only way to salvation & eternal life. **Thank God for the English programs** of ABN and Trinity Channel!

“I believe in Jesus”

8.“Muhammed” Carlos from Finland - “I am from Baghdad, Iraq and was a Sunni Muslim and from a dedicated family to Islam. Like every good Muslim I fasted and did my 5 daily prayers. I went to Syria in 2017 because of the conditions in Baghdad the unrest between Sunni and Shia. However, in Syria, a Christian coworker tried to approach me about Jesus. I wasn't convinced and hesitated to believe what he said because I lived in a Muslim environment for so long. Because I looked worried about my family in Bagdad, my friend asked me to go to the Church with him to pray. So while I was there I asked the pastor to pray for me and my family. There were many Christians in Baghdad, but I didn't associate with them. We used to look at them as infidels because they believe that Jesus is the son of Allah. **The next day after the prayer, Jesus came to me in a dream and said to me “Muhammed, you are free I have freed you!”** I woke up happy and I praised God for that dream. Ever since that experience I believe in Jesus and decided to change my name, because it was inappropriate to keep it as Muhammed. I ask and challenge every Muslim, especially my family and relatives in Baghdad and the Middle East. Read the Bible before judging the Christians, so you will know the right way. **Thank you ABN for giving me this opportunity.**”
