Go to www.trinitychannel.com or www.abnsat.com and click “Watch Live”. North American viewers can watch via satellite through Galaxy 19 satellite, and viewers in New Zealand and Australia can watch via Optus 2 satellite. Go to www.abnsat.com for download instructions. Call (248) 416-1300 to see a list of the IPTV outlets we currently broadcast on. Viewers can watch through TCT Local Antenna Television: Visit www.trinitychannel.com to see which areas we broadcast in. The Trinity Channel reaches 2-3 million homes across North America and approximately 1 million viewers across New Zealand and Australia satellite television and has a global internet audience.

We seek to broadcast the truth and love God has revealed through Christ. We seek to expose false religions and cults which deny the Trinity. We seek to equip Christians and encourage meaningful dialog. We seek to provide a platform where viewers around the globe are able to relate properly to one another through Christ.
