“I Praise God for ABN’s Discipleship Arabic shows, they are a blessing for me and my children. We have watched 29 of them.”

Hazim, who left his homeland in Iraq, has accepted Jesus as his Lord in his life. No longer able to see his children because of his faith, he calls them often to speak to them about Jesus and to share the ABN discipleship shows. He praises God for his children, as they also accepted Christ as their Lord and Savior watching together from Iraq.

“I thank God for revealing Himself throughout my life. It wasn’t until I watched ABN’s YouTube Channels and other apologetic networks that my faith had strengthened and introduced me to the Lord Jesus.”

After living a life of habitual sin, **Beshar** a Middle Eastern Christian, was baptized on August 4th, 2016. In January of 2017, he was introduced to Light of Today ministries, where he experienced the baptism of the Holy Spirit, which brought him to total surrender to God in a more intimate way. Beshar expresses his joy, “My sins were washed and I began to see how we can walk holy and blameless as children of God. I no longer felt alone, but I have the comforter who convicts, strengthens, and secures my walk with Jesus! Praise be to His holy name!”

“I praise God for the work of ABN for putting Discipleship episodes in the Farsi language and I pray that these programs will be a blessing to millions of Iranian people.”

Mehdi from a very religious Muslim family in Iran, had questions about the Muslim faith, but the Sheikhs were not helpful. Later on, Mehdi got addicted to drugs and his wife left him. After a Christian convert introduced him to the gospel and prayed with him because Christ had put it in his heart to talk to him, Mehdi proclaims Jesus as his Lord, is healed from addiction, is reunited with his wife, and both were saved by the Lord Jesus Christ.

As you are investing and planting your seeds in ABN ministry, the fruits are being sown and reaped simultaneously.”

Because of you, your prayers and support this ministry is alive, growing and working hard to spread the message to the entire world. We Praise God that 2017 is the year of increase & multiplication for ABN in different directions, such as the digital tree, 50+ channels on 25+ platforms, online Discipleship courses in 10 different languages and recording episodes in more than four languages. Truly, you have watered the mustard seed with your prayers and support. Your gifts has given us the needed help to continue on, especially to the Middle East.

We thank God that his favor and hand is upon us, as we continue to air onto the three major satellites (North America, Middle East, & Australia). We kindly ask you to please continue to pray that this ministry remains on these satellites for the long term.

Sometimes we wonder: Is this the end of all things? If so, what does God want us to know and to do? Has God been speaking to us in these days?

We are living in a crazy generation filled with so much pain, suffering, trials, and tribulations. What is nature saying to us through these disasters, crisis, hurricanes, earthquakes, and tornados? Why is there so much poverty (800 million people), starvation (9 million people), immorality, materialism, selfishness, spreading of Islam & ISIS (942 ISIS terror attacks in 2017), and a fast-paced life with the new culture of immoral societies? What is man doing during these last days? Jesus spoke, in Matthew chapter 24, about the signs of the last days and in 2 Timothy 3, Paul wrote about the other signs in the life of people of the last times, having a form of Godliness and denying it’s power. Jesus said, “As it was in the days of Noah, so it will be at the coming of the son of man.” Therefore, keep watch... Be ready.

So, what should we do these days?

Be ready for Jesus to come back and keep the oil in the lamp.

Be careful about the way that we live. (Ephesians 5:15-17)

Be generous with what we have. (Matthew 25:34-36)

If you confess with your mouth that Jesus is Lord and believe in your heart that God raised Him from the dead, you will be saved. (Romans 10:9)
