

ABN's Emergency Call To Action

And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be. (Revelation 22:12)

Thank You With Much Appreciation

Greetings to you in the matchless name of Jesus our Lord. Thank you for your continued support and your generosity to ABN for proclaiming the gospel to all the world. Thank you for your great sacrifice, encouragement standing in the gap and partnering with ABN & Trinity Channel.

The Fruit of Your Labor

Because of your Partnership with Trinity Channel & ABN, The Lord has blessed us through you with a multitude of fruits, success, and spiritual victories. Because of you, we were able to claim more land for the kingdom of God and glorify our Lord, Jesus Christ.

Thank you for:

- Helping ABN to continue broadcasting in three main Arabic channels to three Satellites in four continents for many years.
- Helping thousands of Muslims from so many countries in the Middle East, North Africa, Europe, North America, and Australia who gave their lives to Christ in the past few years.
- For starting ABN's discipleship programs in multiple languages in 2017 to empower these new converts from Islam as new followers of Jesus in their faith and maturity in Christ.
- Through you, the Lord has been pleased to encourage ABN and has given us much fruit recently in so many Muslims coming to Christ from different countries such as: Iraq, Iran, Saudi Arabia, Syria, India, Kurdistan, Jordan, Lebanon, Turkey, Egypt, Yamen, Palestine, and Sudan. Because of you, these Middle Eastern and African people through our Arabic programs come to bring wonderful testimonies of changed lives. You can look to our Convert page for a few testimonies from the converts in the last two months alone. You may also watch the testimonies at ABN's websites as these are just a few of the testimonies ABN has witnessed. More to come in the coming months.

Did You Know?

- Every 20 years, the Muslim population doubles.
- One out of four people in the world are Muslim.
- More than 90% of the Muslim population have not read even one page of the Bible.

Why is ABN Considered an Unique Ministry?

ABN is unique, because we are the only Christian TV ministry in the world focusing on the spreading threat of Islam and the true answer for Muslims is found in Christ Jesus. We are doing this through world class Christian apologetics in multiple languages: Arabic, English, Farsi, Turkish, Kurdish, Aramaic and others to deliver the Gospel message of love and peace of Jesus to every corner of the world. The Challenge

This letter is an emergency call to rescue ABN from financial crisis on NileSat to the Middle East, North America, and Australia. I speak honestly to you that we have reached a very crucial situation because of the financial crisis. This is the very reason that forced me to write this letter in a direct and simple way to a select few, such as yourself. ABN cannot continue this unique ministry without a supernatural touch of God and a positive response through good partners like you.

The Solution

CAN YOU PLEASE:

- Send a small monthly donation for monthly expenses.
- Send an extra one-time donation of either 200, 300, or 500 dollars as the Lord puts on your heart to help us through these tough months.

Please, I urge you to prayerfully send an extra gift today and join us in the wonderful harvest of souls in these last days that God is ripening the fruit even as you read this letter. ABN stands ready to harvest as we are on the front lines but are wounded and need your help to continue to fight the good fight together for the Lord in Jesus precious name.

ABN and Trinity Channel are the tip of the spear in this Spiritual Warfare we face today, and the church will not lose!

Because of Your Continuous Support:

The Lord has saved thousands in the past few years and over 200 converts from Iraq, Syria, Yamen, Saudi Arabia, and more. With this letter you will find a convert page with the latest Muslim converts that ABN has helped to come to Christ. These are but a few that ABN's helped in the years.

We Thank You because you put your hand with us on the plow throughout the past few years and through you the Lord have done great miracles in changing lives of Arabs and others. ABN will continue as a voice crying in the desert, preparing the way of The Lord, and praying that the enemy will not prevail nor delay the will of God. To these unreached nations, There is a great harvest in front of us all. We are all called to this great commission for the Lord Jesus as He said:

“Do you not say, ‘There are yet four months, then comes the harvest’? Look, I tell you, lift up your eyes, and see that the fields are white for harvest. Already the one who reaps is receiving wages and gathering fruit for eternal life, so that sower and reaper may rejoice together. For here the saying holds true, ‘One sows, and another reaps.’ I sent you to reap that for which you did not labor. Others have labored, and you have entered into their labor.” (John 4:35-38)

Thank you for hearing the voice of The Lord. Thank you for approving ABN's mission. Thank you for standing with ABN in the gap! May the Lord bless you, your family, and your work with 100 fold.

Your servants and fellow laborers in God's end time harvest,

Dr. Bassim Gorial & The ABN Team
