

# ABN Anniversary Newsletter

“Therefore go and make disciples of all nations, baptizing them in the name of the Father, the Son and the Holy Spirit.”

Matthew (28:19)

## Time to Celebrate 12 Years of ABN

Give thanks to the LORD, for he is good; his love endures forever. Twelve years! ABN has been sharing the good news along with the message of the Lord Jesus Christ for 12 years as of July 14th and we are still going strong following His light to bring more converts to Christ from every nation, tongue and race. Just as Jesus had 12 Disciples and Moses lead the 12 tribes, ABN celebrates the number 12 in many regards: 12 years of preaching the Gospel and of spiritual growth, 12 languages in our Discipleship Program, 12 YouTube Channels to watch ABNs content and 12 major digital platforms. All of this and more is run by only 12 people. Thank you for your support through the years and may we continue to sow and reap in the production and gospel evangelism to the world until the 2nd coming of the Lord.

Our God is our provider.  
He is our Jehova Jirah

***“Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver.”***

## What is ABN?

ABN is the tip of the spear in the spiritual warfare against Islam in these last days as Islam effects the whole world through terror and fear. ABN is a lone voice of truth calling out in the desert of political correctness as we are preparing the way of the Lord & glorifying Jesus the savior of the world.

## The Core Values of ABN

Evangelism

Apologetics

Discipleship

Solidarity

## What is ABNs Vision?

The vision of ABN is to preach the gospel to the world and to make disciples of all nations. Through this vision ABN has spread the message of the Lord across the globe and brought thousands from darkness to the Light of Christ.

## Four New Series on ABN!

Four new programs called "Fingerprints of God in Creation", "I Am", "Miracles of Jesus" and "A Grain of Wheat" airing on ABN after July 14th.

## The Harvest & The Hard Time!

God has used ABN in a mighty way in the past 12 years. Ahead of us is a **huge harvest** to reach, especially among the Arabic and Muslims. We at ABN want to keep partnering with you if you are willing to continue your support. A **monthly** donation can help stabilize and sustain this ministry.

Jesus said *"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was ill and you looked after me, I was in prison and you came to visit me."*

It's with heavy heart that we are telling you that ABN is really going through a **hard** time...going through a difficult situation with a **deep** financial struggle. However, the new converts are asking us to continue what we have been sowing works of God and to stay in the Middle East/North Africa and pleading us not to leave them **halfway** in their faith. Please call and support whatever the Lord is laying on your heart. Thank you and God bless you richly in Jesus name.

# The Message is Alive But **Dangerous**

Though our 11 years of broadcasting we have seen thousands of brothers & sisters come to Christ and give their testimonies on ABN. In the past 6 to 8 months alone we have received over **400 converts** to Christ over our **Nilesat satellite** broadcasting to the **Middle East & North Africa**. Although we are rejoicing for our new harvest, but this new bounty does not come without a risk. Although they are saved their lives are endangered. These are some of the faces that have faced persecution after denouncing Islam to accept Christ while others gave their lives for Jesus as martyrs.

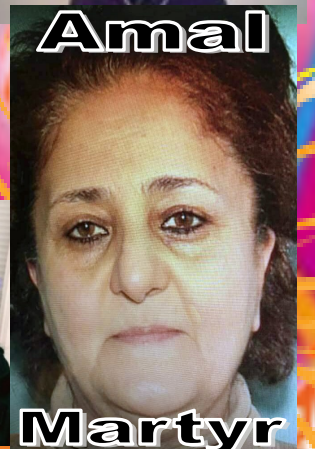

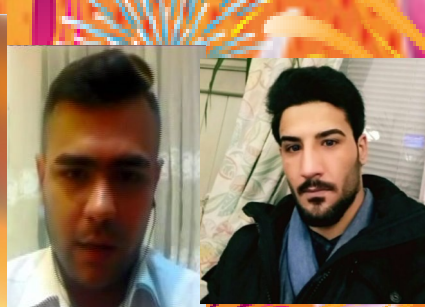

Jesus said "Come, follow me  
and I will make you fishers of  
men" (Matthew 4:19)

**Amal**

**Broken Bones**

**Martyr**

These men and woman are risking their lives to live for Jesus. They face persecution as their Muslim neighbors or government are threatening them. When we say "persecution" we don't mean the type that is normalized in western countries where the worst thing that happens is a Christian politician being shut-down in a news interview. **NO! We mean bodily harm and death!** Even through they face harms way daily they do not waver in their faith as they know **Christ** is **THE WAY**. They are true disciples of the Lord and we at ABN are blessed to know & support them. Please pray for them & their families safety and security.

## ABNs Building Still Needs to be Repaired

We have other projects that need to be addressed such as replacing the damaged brick wall separating residential housing from ABN as issued by the city and repairing the water damage done by a storm that happened last year. We still can't afford to replace damaged dry wall, open ceilings or replace flooring. Please, without additional funding we can't finish these necessary projects.

## **NEW DEVELOPMENT FROM IRAN & ITS PEOPLE!**

The Iranian government has restricted internet usage to its people by making the top speed less than 100KB in response to over 300,000 Muslims are leaving Islam (converting to Christianity) in 2016 alone. This is a mix of good & bad news when it pertains to ABN. The bad news is that the people of Iran won't easily be able to experience ABNs content of the Discipleship program. **The good news is 300,000 SOON TO BE NEW CONVERTS & THE MESSAGE IS GROWING and they cannot stop our satellite feed!** ABN is happy to be a part of this movement to bring lost souls to the light. Please pray for the salvation of Iranians & surrounding countries in the Middle East.

# 4 Continent International Satellites Outreach in Arabic

**Galaxy 19  
North America**

**Nilesat  
Middle East  
North Africa**

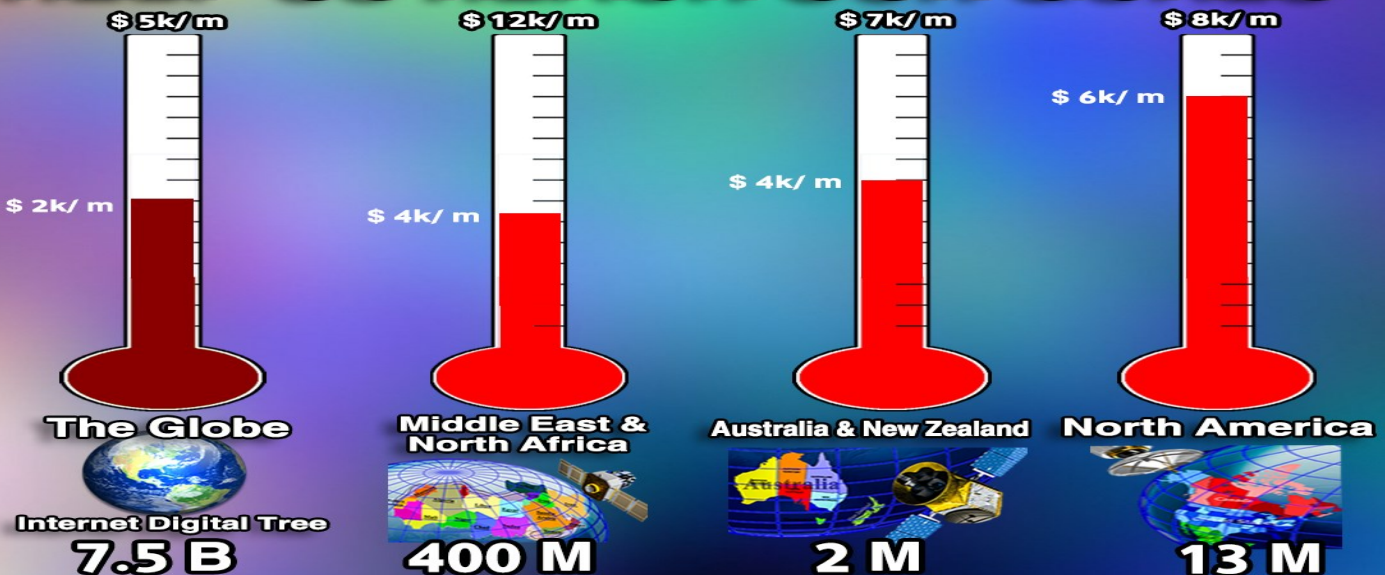

**Optus D2  
Australia  
New Zealand**

## Funding ABNs Satellites

With over 40 channels and 25 digital platforms covering the world, ABN's Digital Tree has added monthly expenses that have to be maintained to keep this tree growing. The main issue we are facing is raising enough to cover the cost of our platforms. In total, it cost \$30,000 per month for the four satellites alone. We are still airing on the 3 major satellites so please ABN needs monthly support to keep broadcasting to the world.

## HELP US REACH OUR GOALS

Through these satellites we broadcast to many new converts and we follow-up with them to make sure they are getting what they need spiritually: teaching, sermons, discipling and church planting. We care about the safety & spiritual growth of these new followers and through ABNs programs, training courses and weekly communication we see great strides especially in hard to reach Arabic countries.

# URGENT PRAYERS & EMERGENCY SUPPORT!

Thank you for your love, encouragement and sacrifices for continuing the work of the Lord through your support to ABN in the last few years. Our partnership has created new platforms, more channels and even the launching of ABNs Discipleship training program. Thank you for putting your hand on the plow with ABN as we continue to harvest a huge bounty ahead of us. HOWEVER, ABN is struggling as donations in the past months have dropped significantly and in order to keep broadcasting on 4 different satellites and touching millions of souls throughout the world we need a miracle from God to cover our monthly expenses to sustain this ministry. Jesus said, "Ask and it will be given to you; seek and you will find; knock and the door will be opened to you." So we are asking you to please give today so we may continue to proclaim the gospel for tomorrow by bringing stability to this unique Christian network.

## TO ABNs EMERGENCY NOTICE SUPPORTERS

Thank you to those of you who already sent your support after ABN sent out an emergency notice letter. We are receiving some gifts by the day and it has already helped but we need others to follow in your steps!

## PLEASE SEND A ONE TIME \$100 GIFT TO ABN

ABNs mission is stronger than ever before with over 400 Muslims coming to Christ in the past 6 to 8 months & they are just the tip of the iceberg. Millions more are experiencing what we are preaching, coming to the Lord and starting to question Islam's teachings. ABN is the only Christian TV ministry in the world focusing on the spreading threat of Islam and proclaiming that the answer is ONLY through our Lord Jesus Christ. ABN is the tip of the spear in this spiritual warfare but we are wounded in the front line and need your help to fight the good fight against the powers of darkness as the church cannot afford to lose. Without faithful partners like you we cannot continue this mission but our trust in our Lord God will strengthen and provide through faithful servants like yourself. Thank you for your gifts.
