Two Testimonies from the 2018 Converts

Talib's Testimony

Timeline ▾ About

"My name is Talib. I praise God for connecting with me through Facebook. Without your help I would have stayed in the darkness of ignorance. I'm blessed by your programs that have helped and encouraged me to be bold, because I have spirits of fear that have tried to take over. I cannot thank you enough for connecting me with a church filled with believers, because I really

need their company. I secretly went with my wife and kids to church so that my family would not know. For if they did, my life and their lives would be in danger. I am so excited to grow closer and deeper with my faith in the Lord Jesus Christ. Please continue to pray for me!"

Here at ABN, we provide information to the lost and we pray for their needs. We extend our resources to help new converts find churches and send them material to embolden their faith. It is important not to leave these new believers vulnerable!

Jamal's Testimony

Timeline ▾ About

Jamal from Yemen lives in Saudi Arabia and was raised by a religious family, but when he grew up he began to know that there were things wrong with Islam.

Because of fear of his countrymen, he secretly started reading about Christianity and to learn more about Jesus. He says, "They will kill me if they knew I was an apostate from Islam." Now a believer in the Lord Jesus Christ, he will be protected from all evil. He also replied, "I wanted to say that your programs (ABNSAT) encourage me with hope and strength. I learned a lot from ABN and they help me grow in faith."

Easter Message

The season of Easter is always important to the believer; it is the reminder that the Resurrection comes after the death and burial of our Savior, Jesus Christ. Easter is a wonderful celebration and

time of rejoicing because God has provided evidence for the life after death and our sure salvation. When the Father raised Jesus

from the dead, it was a sign to the believer that His sacrifice was sufficient. God was pleased with the payment for sin, and now we are restored to a right relationship. Praise be to God! He will bring our bodies through the same resurrection that our Lord Jesus experienced. Spend some time with the Lord and enjoy the free gift of salvation!

...For this purpose the Son of God was manifested, that He might destroy the works of the devil. (1 John 3:8)

ABNsats TV Ministry

But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you. (Romans 8:11)

Praise God for the Resurrection of Our Lord & Savior Jesus!

Our mission at ABN is simple: to reach the lost and teach them principles of the Kingdom. Not only do we share the truth with sincerity, but we also have discipleship programs and material to help the newly converted grow in their faith. Won't you join us on the field to sow and reap a harvest of abundance?
