**D**id you know your home could be vulnerable to supernatural attack? This is called a “haunting.” Some signs of attack are obvious: *Seeing* ghosts, poltergeists, dark shapes, shadows, apparitions, monsters, fairies, nature spirits, UFOs, objects moving, or unusual lights or visions; *hearing* voices, hissing sounds, or growling sounds; *smelling* strange odors; *experiencing* alien abduction, recurring nightmares, night terrors, out-of-body experiences, unexplained electronic equipment malfunction, or unexplained room coldness; *feeling* chest pressure, bites or scratches, sleep paralysis, suffocation, or invisible things touching you. Other times the signs are subtle: persistent evil thoughts, sinful temptations, tormenting emotions, financial or relationship problems, or difficulty reading the Bible, worshipping, or praying. Be encouraged and know that Jesus has set us free so we may live in total freedom! And all those who belong to Him have authority and power for total victory over all the forces of spiritual evil! In this lesson you’ll learn: 1) Why home hauntings happen and what’s responsible for it, 2) Methods of home protection that will make it more vulnerable to attacks, and 3) How to bless your home to protect it from supernatural attacks.

**1. Why Home Hauntings Happen and What’s Responsible For It.** Regardless of what supernatural experiences you have, visions you see, what people tell you they are, or what the “being” itself claims to be, it’s as simple as this: it’s either from God or from Satan. Satan’s kingdom (fallen angels/demons) hide behind their lies. They pretend to be gods, ghosts, aliens, ascended spiritual beings, spirit guides, angels, jinn, deceased relatives, ancestors, still living humans, etc. Even when witchcraft is done against you it still relies on demons to answer the witch’s request to harm you as an assignment. Demons are murderers seeking to steal, kill, and destroy (John 10:10). Jesus said following Him and knowing the truth will set you free (John 8:32). The truth is fallen angels wanted to be their own gods and to be worshipped as gods by humans. Satan led their rebellion against God, they were defeated, and cast out of Heaven to earth. They’re now in the Abyss, a spiritual prison in the spiritual realm on earth, being punished for their sin. They continue to sin against God and hurt the ones He loves (us!). God permits them to do this because we’re also guilty of sin. When we humans trust in God, do what is good and glorify Him with our lives, we have God’s blessing which places a spiritual hedge of protection around our lives, children, and homes (Job 1:8-10). When humans trust in Satan’s lies, live as their own gods, worship false gods, and live selfishly, immorally, and sinfully, their protection is removed. God is merciful and gracious, yes, but He’s also good and just so He doesn’t protect us from the consequences of our sin. Demons act as the “enforcers” of divine justice on earth, helping us to then reap what we sow. Sin opens the doors to demons. The greater our sin against God the more we’re vulnerable to potential demonic attack.

**2. Methods of Home Protection that Will Make It More Vulnerable to Attacks.** It’s ironic and sad that the most common methods of purification/protection against evil are sinful, since it is sin that makes us vulnerable to demonic attack in the first place. Most things done to protect, “cleanse,” or “clear” a home are actually witchcraft. Witchcraft will not add protection, it will make things much worse! Witchcraft adds more sinfulness

and acts as a *personal invitation* for more demons to come in!!! Common witchcraft for purification and protection include: amulets, talismans, charms, idols of gods, religious symbols, crystals, candles, and some types of jewelry; “smudging” i.e. to burn incense or herbs like sage or palo santo and fill the home with the smoke; purification spells; lining doorways, windows, and other entrance points with iron or salt; altars to gods, ancestors, angels, or saints; or saying religious incantations, mantras or rituals. This includes Islamic rituals like saying Bismillah (saying the name Allah) or giving Salaam (greeting and blessing when entering), reading Surah Al-Baqarah or Ayat Al-Kursi (Quran 2:255), or covering water jugs, food containers, and turning out lights at night for protection-related reasons. Even Christian rituals like reciting Bible verses or Psalms, or using Mary/Jesus/saint “good-luck-charms” as if they have secret power. What matters is our relationship with Jesus. All witchcraft and superstition is forbidden by God and is the lies of demons. Trusting in demonic lies brings MORE demons! Demons will even ease off attacks when you do witchcraft so you think it’s helpful, and when they resume attacking you’ll do even more, thus increasing their access. Leviticus 19:31 warns, *“Do not turn to mediums or seek out spiritists, for you will be defiled by them.”* God alone protects and delivers! Deuteronomy 23:14 says, *“For the LORD your God moves about in your camp to protect you and to deliver your enemies to you. Your camp must be holy, so that he will not see among you anything indecent and turn away from you.”*

***3. How To Bless Your Home to Protect It from Supernatural Attacks.*** First, repent of all your sin and trust in Jesus’s sacrifice for forgiveness. Second, consecrate (meaning dedicate and make holy) to God - yourself, your family, your home, and all your belongings. Cleanse the house of all that is offensive to God. Destroy all Idolatry and Witchcraft: statues, images, jewelry, objects, clothing, artwork, masks, talismans, charms, crystals, items for “faith healing,” books, and literature. Be mindful of symbols, artifacts, or artwork acquired during trips to foreign countries that could be occultic or dedicated to foreign deities. Destroy all Divination like “Ouija Boards,” tarot cards, and dream catchers. Destroy all Demonic Entertainment, movies, video or role playing games, dolls, and toys inspired by demons leading to sadism, violence, lust, or fascination with the occult. Destroy all Pornography, cut off all access to it, and all video/internet/magazines that advocate an immoral lifestyle or antichristian principles. Destroy all Elicit Drugs as well as pharmaceutical drugs and alcohol if it’s a snare to sober-minded, self-controlled, godly living. All these kinds of things are accursed. Don’t sell or give them away, even if valuable. If possible they should be burned, or destroyed and thrown away. Deuteronomy 7:25-26 says, *“The images of their gods you are to burn in the fire. Do not covet the silver and gold on them, and do not take it for yourselves, or you will be ensnared by it, for it is detestable to the LORD your God. Do not bring a detestable thing into your house or you, like it, will be set apart for destruction. Regard it as vile and utterly detest it, for it is set apart for destruction.”* Third, with the family present, pray over each room, anointing the rooms with olive oil on the top door frames, windows, and walls. You could make a small cross sign and dedicate each room to God in the name of the Father, Son, and Holy Spirit. Pray that the blood of Jesus protect it and the presence of God fill it. Command all unclean spirits to leave now and never return in Jesus name. Start with the farthest room and work towards the front door, then dedicate your entire home. This simple ritual is based on the biblical principle of consecration to God through prayer and anointing. This is meaningless without also having trust in Jesus/the Gospel, an authentic relationship with God, and a godly life and home.

Let’s pray. LORD God, I dedicate my life and home to You. Protect me from evil. In Jesus’ name. Amen.
